I. POSITION SUMMARY:

## III. PRIMARY CUSTOMERS OF THIS POSITION:

The ultimate customer is always the patient. However, you provide services to other internal and external customers. Identify those other primary customers to whom you provide service.

Customers for this position would include co-workers, physicians, patient's family members, volunteer's, vendors, outside agencies or organizations that may have contact with the office in addition to patients.

## VI: JOB SPECIFIC ACCOUNTABILITIES:

- Contributes to the Coding Team efforts.
- Assign accurate diagnosis and procedure codes using ICD-10-CM/PCS to inpatient records.
- Assign diagnosis and procedure codes to ICD-10-CM/PCS and CPT to outpatient surgery records.
- Utilize coding guidelines set up by government agencies dealing with the coding of health information.
- Accurately enter abstract information into the computer on inpatient and outpatient records.
- Participation in or development of educational meetings as directed.
- Participation in committees as needed.
- Maintain a standard of productivity that consistently meets or exceeds 98% productivity.
- Assist the Medical & Dental staff, hospital employees and others in a courteous and helpful manner.
- Maintain patient confidentiality at all times.
- Follow the code of Ethics and the Standards of Ethical Coding developed by the American Health Information Management Association.
